

Hardwood flooring lids

- > Covered frames for sports flooring
- > Round design
- > Produced by Terra

Aluminium frame and cover, both with an all-round visible **aluminium edge** to protect the edges. The frame and tile are veneered, varnished and ready to install. Held in the frame by a seal around the tile. **Waterproof.**

Available in clear widths of 120mm and 170mm.

Size Clear width (mm)	Outer frame diameter (mm)	Outer tile diameter (mm)	Minimum floor segment (mm)
120	177.5	128.5	140
170	227.5	178.5	186
